Poi and Poke Fund

Offering nutritious food to our kūpuna on a regular basis is something we encourage and support. With the increase in demand and moderate cost per pound for either Poi or Poke, however, it has become apparent that we need kokua in order to sustain a regular supply of poi, poke or other Hawaiian food delicacies. That is why we decided to add a “**Poi and Poke Fund**” to our formal **Wish List**. If you or your organization would like to

contribute to the Poi and Poke Fund (either monetary or product), or for that matter, would like to choose an item requested on our Wish List, please contact Administrator, Nalei Akina at nalei@lunalilo.org or call her at 395-1000.

Mahalo from everyone at Lunalilo Home and Adult Day Care! Your continuing support and consideration are appreciated more than you may know!
